

Project Overview

About:

Jenna's Sweet Treats is a website to be able to look and get recipe's for candy, cookies any pretty much anything sweet. Away to satisfy the inner child sweet tooth.

Target Audience:

Anyone that enjoys cooking homemade style treats, but needs a great recipe to make them.

Dash Board:

This is where the user will be able to sign up to receive full access to the website. Such as blogs, able to read the full recipe, purchase already made products.
